

Brda 2022

Kakovostno Vino ZGP

Varietal composition: 70% Sauvignon Blanc, 30% Friulano

Tasting notes: straw yellow in color with greenish reflections and citrine transparency, it is a white of temperate hill, with a sunny, complex and at the same time fine character. On the nose hints of sage, mint and wild herbs. In the mouth it is dense and glyceric, with minerality accentuated by the dry, slightly citrusy finish of lemon peel.

Vineyard: Amphitheater cru "Zunič", facing South-East, on the hills of Neblo, Municipality of Dobrovo.

Characteristics of the vineyard: 10 year old vines

Soil: Raw Ponca from the Giulio geological basin, composed of marl and sandstone of marine origin

Harvest: End of September

Production: 10,000 bottles/year

Alcohol: 13.5% *Residual sugars:* <2 g/ltr *Total So2:* 50 mg/ltr

Vinification: whole cluster, spontaneous fermentation in cement, aging on fine lees for 12 months
